

**LEAGUE of WOMEN
VOTERS** TM OAK PARK / RIVER FOREST

**River Forest Village Board
March 26, 2007**

Ann B. Grimes, Observer

A request for development at Lake and Franklin was denied.

Request for addition to residence at 7604 Vine Street was approved.

The Board approved a one floor addition to the home at 7703 Washington, requested by the owner, complimenting him on the presentation provided to board members.

The principal business of the evening was a discussion of the student drop-off situation at Keystone Montessori School which is located on North Avenue at William Street. Under consideration is a plan for car entry off North Avenue and testimony, pro and con, was presented by both the school principal and homeowners on Ashland. Further study will be undertaken by Village management to arrive at an acceptable solution within the next six months.

Concerning the question of a proposed Historic Preservation District, the Board scheduled a public meeting to convene on April 2 with a follow-up on April 10.
